Ms. Lopez,

Attached is the information you requested regarding lobbying services.

There are three attached documents.

The first, arranged by year, contains the approved School Board agenda items and/or the Letter of Engagement that is our agreement for services, and the verification of payment that my office maintains for firms retained for legislative/lobbying services.

The second is the previously sent (771 page) email communication from Jim Hamilton (HBEC Group, Inc) who has been retained since 2007 by our school district.

The third attachment is any correspondence from the other two firms who were retained from 2004 to present. There was no correspondence from Bob Martinez.

Lee Moffit served as Speaker of the Florida House and Bob Martinez served as the Governor of Florida and they were retained for their knowledge of the legislative and executive branch process.

Jim Hamilton was retained to assist in the day-to-day legislative activities that includes participating an and reporting on legislative committee meetings, regular session and special sessions, and state/agency meetings (as requested).

If you need any additional information or have any questions regarding this information just email or give me a call! The easiest way to reach me is via cell (813-624-5000).

Thank you and have a great weekend.
